BE THE INSPIRATION

184

Dear E-Club members and OUTA SPACE readers,  
January is Vocational Service month

For me it is Vacational Month and enjoying the time in Australia – started off in Perth on Christmas day with President Irene’s family, then moved on the Charmaine and Hugh Wheatley in Kiama, near Sydney and arrived with Philip and Gael Hedley in Skye on Saturday – travel 80km north on Sunday to Melbourne for the week-long World Rotary Cricket Festival.

So far so good – know a lot more about Australia than I did before.

I will do a full report back in OUTA SPACE once I am in familiar electronic space.

President Irene and I have done talks at 2 Rotary Clubs along with Charmaine – more about that idc

## PRESIDENT IRENE'S PAGE

Dear Rotarians and Friends of Rotary

I am sure that you will allow me a bit of absence for a couple of OUTA SPACE editions.

In the past my 8 trips to Aus have been confined to Perth only with my family but now have the opportunity to see Sydney, Melbourne, Armidale and Brisbane area and all the quaint towns along the way so now I will be able to say

that I have at last seen more of Australia and am thoroughly enjoying it.

Happy Reading, **BE THE INSPIRATION AND HAVE FUN**

## SPACE for GOOD NEWS

Our speaker at a future date will be Connie van Niekerk who will speak about "Litres for Education - Driving education 1 litre at a time"!

'Litres for Education' is an educational trust which was formed to enable people to reward a selected school through their monthly fuel spend. Through registering with an approved 'Litres for Education' service station and linking your membership to one of the partner schools or NPO's, a portion of your monthly fuel spend will be given back to the School.

"Education is the most powerful weapon which you can use to change the world" *Nelson Mandela.*
